

I'M A DOCUMENT.

You can easily add your own PDF, Word, Excel, and other documents. Just follow our steps below.

Create your own pdf and then:

1. In the editor, click on the image or button you want to use.
 2. Click on “Link to” and choose “Document“.
 3. Double click the empty field below “Add / Change Document”, upload “your document and click“ OK.
-

You can see how your users will see your link in Preview Mode
